Alert all email contacts about any conferences, discussions, meetings, rallies that address demand and trafficking.	Send the campaign bookmark to every sister in the congregation for the launch date and invite people to commit to praying the prayer daily.	Identify key personnel and plan and deliver 'training days' with key personnel.
Learn about and share examples of successful projects/legislation that have brought about attitudinal and/or structural change, (e.g., the Swedish model, Philippines youth camp, U.N. Office on Drugs and Crime) to combat demand for trafficking in women and children for sexual exploitation.	Mark a special day in the congregation calendar to unite in prayer in solidarity with women and children who are trafficked (sisters, associates, alumni, co-workers, friends, parish members).	Set up a committee within the congregation to carry forward the campaign.
Read suggested resource materials suggested; view av materials on the topic and discuss.	Select appropriate theological reflections/prayers for Advent and Lent and mail to all sisters of the congregation, associates and co-workers.	Extend campaign information and actively seek opportunities to conduct workshops on the STOP THE DEMAND campaign to justice and peace groups, parish meetings, faith groups, school groups, womens' groups, etc.
Collect news items related to the sexual exploitation of trafficked women and children in your own area — to use in the campaign education process.	Organise a day of fast across the congregation to pray and act in solidarity with people exploited in the demand for sexual services.	Provide your local, state/provincial and national representatives with information on the link between prostitution, pornography and demand which fuels trafficking.
